

January Prayer and Fasting Month
“Repent”
1 John 1:9
January 12, 2025

Sermon Points:

1. The need for Repentance

- It is part of the process of remembering the previous year's lessons.

2. The Samaritan Woman – John 4:1-26

- Jesus showed care and compassion in a conversation that could have turned ugly.

3. Spirit without Truth has no Substance. Truth without Spirit is Cruelty

- There will be no repentance until we experience God's kindness (Romans 2:4).
- Fear is a false motivation. Genuine change and growth do not come out of forced coercion.

4. God's kindness leads us to repentance

- His Mercy is that we do not receive what we deserve and His Grace is that we receive what we do not deserve.
- Repentance involves the confession of sin. But there is the hope and confidence that God will forgive us of all unrighteousness because of what Jesus did for us on the cross (1 John 1).
